

# PROTECT — YOUR — PENSION

VOTE FOR SEIU HEALTHCARE

As a member of SEIU Healthcare, you currently enjoy membership in the Multi-Sector Pension Plan (MSPP).

This target defined benefit pension was created by SEIU Healthcare and CUPE for members who work in sectors where it has been challenging, if not impossible, to find a good registered pension plan.

The last time SEIU Healthcare members were forced to go to OPSEU in a PSLRTA, they were not approved by the plan's Board of Directors to remain in the MSPP. We do not want that to happen to you. If you become an OPSEU member, there is a risk that you might not be able to continue in the plan.

**Your vote for SEIU  
Healthcare is a vote for  
retirement security!**
