VOTE FOR SEIU HEALTHCARE

As a member of SEIU Healthcare, you currently enjoy membership in the Multi-Sector Pension Plan (MSPP).

This target defined benefit pension is an industry-leading retirement security plan and is **ONLY** available to SEIU Healthcare and CUPE members.

In past situations where SEIU Healthcare members were forced to go to OPSEU in a PSLRTA, they no longer were allowed to remain in the MSPP. If you choose to go to another union, you are risking your pension membership.

**Your vote for SEIU
Healthcare is a vote for
retirement security!**
